Assistant Principal

November 17, 2016

Dear Families of Manteo Middle School,

Beginning on Monday, November 21, 2016 we will experiment with a new traffic pattern here at MMS in an attempt to reduce the vehicle back-up and congestion on Highway 64 during arrival and dismissal times. This plan is outlined on the map below. We will have clear signage and extra faculty on duty to ensure a smooth transition. We truly appreciate your patience and continued support. As always, please feel free to contact me with any questions or concerns.

Thank you,

Drew Sawyer
Principal, Manteo Middle School
